Since 1987 Dataline Group has been providing the most secure printing and payment processing solutions to organisations large and small.

With a Dataline Group MICR Cheque Solution you can minimise the incidence of cheque fraud and reduce your processing cost. So if you are looking for a special secure Cheque print solution that will increase your security, cut your cost, increase your bottom line and dramatically improve overall efficiency, then look no further then MICR Express from Dartline Group.

We have the expertise, experience and the resources to support the largest range of MICR solutions for just about any need.
